VACANCY ANNOUNCEMENT: Project Capacity Development Consultant

Background:

The Arab NGO Network for Development (ANND) is a regional network, working in 11 Arab countries with 7 national networks (with an extended membership of 200 CSOs from different backgrounds) and 23 NGO members. ANND was established in 1997 and its headquarters is located in Beirut, Lebanon since 2000. ANND is an independent, democratic, and civic organization that aims at strengthening civil society and enhancing the values of democracy, respect for human rights and sustainable development in the Arab region.

ANND is seeking to hire a Consultant; for the implementation of its new project, entitled “Engaging Civil Society in Policy Dialogue on Agenda 2030 in Egypt, Iraq, Jordan, Lebanon, Morocco, Tunisia”; funded by The United Nations Democracy Fund.

The project aims to enhance civil society capacity for engagement in policy dialogue on sustainable development and the Agenda 2030. Better informed engagement will be ensured through training involving national, regional and international participation and increased dissemination of the sustainable human development narrative will be ensured through communication tools developed by the project.
